

IHC (In House Certification) system is working from 14th September 2009

North Sails Japan took license of ISAF's IHC scheme which takes effect from 14th September 2009. From this time, sailors do not have to care about fundamental measurement any more.

All sails provided from North Sails Japan after 14th Sept will have the IHC compliance sticker fitted with the signature and date.

Euro5.00 per sail shall be charged for this system.
